

RESEARCH ETHICS: CHECKLIST AND STATEMENT
(to be submitted to the Research Ethics Committee)

Researcher Details (name, department):

Student Research Assistants:

Title of Project:

CHECKLIST

1. Briefly outline your scheme for data collection.
2. Does your research involve human subjects?
3. Describe how you will inform the research subjects about yourself, research purpose and project.
4. Have you informed the research participants that they can withdraw participation at any given time?
5. Will you secure the written consent of all participants?
6. In the case of children, (a) will you have the written consent of their parents or guardians? (b) will you have the consent of children as much as possible?
7. Will you provide privacy and confidentiality to those participants who wish to remain anonymous? Indicate how.
8. Outline the preventative steps you will take to prevent any possible risk of harm.
9. Explain any other ethical issues which may arise.
